DEATHS OF FELLOWS OF THE ACADEMY

SARAH DROWNE BELCHER-HARDY, M.D., 419 West 118 Street, New York; graduated in medicine from Woman's Medical College of New York Infirmary, New York City, in 1891; elected a Fellow of the Academy April 1, 1897; died, December 15, 1930. Dr. Belcher-Hardy served with the Rockefeller Institute, New York City, and was best known there for her work in connection with the regulation of New York City's milk supply, for which Rockefeller set aside a sum in the early part of this century.

FREDERIC GROSVENOR GOODRIDGE, M.D., Pomfret Center, Connecticut; graduated in medicine from the College of Physicians and Surgeons, New York City, in 1901; elected a Fellow of the Academy May 7, 1908; died, December 17, 1930. Although a physician, Dr. Goodridge was retired from active practice.

BENJAMIN VAN DOREN HEDGES, M.D., 1225 Watchung Avenue, Plainfield, N. J.; graduated in medicine from the College of Physicians and Surgeons, New York City, in 1891; elected a Fellow of the Academy January 6, 1897; died, December 2, 1930. Dr. Hedges was a Fellow of the American College of Surgeons and the American Medical Association. He was a member of the New Jersey State Medical Society, Consulting Surgeon to Muhlenberg Hospital, Plainfield, and Bonnie Burns Sanitarium of Union County, former President of the Society of Surgeons of New Jersey and the New Jersey State Pediatric Society.

ERNEST ELLSWORTH SMITH, M.D., 50 East 41 Street, New York; graduated in medicine from the Bellevue Hospital Medical College, New York City, in 1898; elected a Fellow of the Academy March 6, 1902; died, December 5, 1930. Dr. Smith was a fellow of the American Medical Association, a member of the Pathological Society and Consulting Pathologist to Somerset and Jamaica Hospitals.
